

Capabilities Statement

About Spire

Spire Healthcare is a professional services and staffing company focused on supporting federal, state and local government hospitals, clinics and ambulatory service centers. We support the Indian Health Services, State and Local Governments, and the private sector. Our expertise is the recruitment of Registered Nurses and Allied Health Professionals, which has allowed Spire to become one of the fastest-growing healthcare staffing companies in the industry.

Past Performance

- Indian Health Services Contracts totaling over \$2M in prime contracts
- GSA MAS Contract Awarded (effective 05/2023)
